WIDTH

18 inches

**Shown in Cinnamon
Marker Tray optional (shown)*

cinnamon . caramel . honey

Information Board by AmFab presents an elegant twist on your traditional markerboard. Its tempered glass writing surface and wooden frame will add a residential touch to any room. Moreover, customer specified text and graphics help to facilitate communication among caregivers, patients, family, and friends.

Features: tempered glass writing surface, real wood frame in three finish options: honey / caramel / cinnamon, medium

density fiberboard core, standard dry-erase markers and eraser, aluminum z-brackets for easy installation. Marker tray optional. Wood is a natural product and grain pattern may vary.

Available horizontal or vertical:
18 in X 24 in, 24 in X 30 in, 30 in X 36 in
Custom sizes also available upon request.

The message board backing is formaldehyde-free.
