

# Cleanly communicate *with* TEMPERED GLASS MARKERBOARD by AmFab

A step above your traditional marker board, Tempered Glass Markerboard by AmFab offers an easy to clean writing surface that resists ghosting and staining from repeated use and will virtually never wear out.

Features: tempered glass writing surface, aluminum extrusion frame (coated to prevent oxidation), medium density fiberboard core, aluminum extrusion marker tray, standard dry-erase markers and eraser, aluminum z-brackets for easy installation.

Available horizontal or vertical:  
18 in X 18 in , 18 in X 24 in, 24 in X 24 in,  
24 in X 36 in

This product is made of earth-friendly materials, including recyclable aluminum extrusions. The message board backing complies with phase 1 emissions requirements of California code of regulations 93120.2 for formaldehyde content.
