

Automatic Overbed Table/Model 4000H

Long-Term Care Tables

Model 4000H

Top

Walnut wood grain high pressure laminate on 3/4" particleboard core. Flush mounted T-mold edge. 15"W x 30"L.

Frame

Chrome plated 12 and 14 gage welded tubular steel column and base. 13 gage stamped steel support bracket.

Height

29 1/2" - 44 1/2" adjustable in 15 one-inch increments.

Casters

1 1/2" twin wheel

The **AmFab** Automatic Overbed Table combines durable, heavy duty construction and attractive functional design with effortless counterbalanced spring height adjustment.

The Automatic Overbed Table raises when slight upward pressure is applied to any point under the table top. It may be locked into any one of the fifteen height positions between 29 1/2" and 44 1/2". A light squeeze on the trip lever lowers the table top. The table will support up to 100 lbs. evenly distributed.

A wide variety of optional high pressure laminate tops are available to complement your room decor and remain attractive for years of service. They are designed to resist damage from spills of alcohol, boiling water, food acids, or inks.

Weight

44 lbs. Cube 1.8. UPS shippable.

Shipping

One table per carton, knocked down. Table easily assembled with four bolts.

Options (Available at additional cost)

- Alternate high pressure laminates*
- Vanity & mirror (factory installed when ordered with table)
- Painted frame*

* Please allow an additional six weeks for delivery.
