

Tilttop Overbed Table / Model 950H

Home Care Tables

**Model 950H****Height**

26½" - 39" infinitely adjustable throughout height range.

**Frame**

Chrome plated 16 and 17 gage welded tubular steel column and H-base. 13 gage stamped steel support bracket.

**Top**

Top tilts 33° in either direction. Walnut wood grain melamine laminate on ¾" particleboard core. Raised T-mold plastic edge. 15"W x 30"L.

**Casters**

1½" twin wheel casters.

The **AmFab** Automatic Overbed Table with Versatilt features an attractively designed and durable table that combines the easy height adjustment of our model 1010 and the tilt feature of the previously made 930H.

It's tubular steel construction supports weights up to 50 lbs. when the top is in its lowest position. The wood grain top has a raised molded edge to keep contents from rolling off the table top.

The top is easily tilted 33° in either direction by gently squeezing the release lever and positioning the top to the desired angle.

The Deluxe Versatilt Table is available in a wide variety of high-pressure laminate tops.

**Weight**

29 lbs. Cube 1.8. UPS shippable.

**Shipping**

One table per carton, knocked down. Table easily assembled with three bolts.

**Options** (Available at additional cost and delivery)

- Alternate laminates\*
- Painted frame\*
